Website with maintenance included

Is creating and maintaining your own website expensive and troublesome? If you want a cost effective web presence with minimal effort, this is the option for you! Your branded website includes booking and online payment capabilities, as well as showing YOUR latest rates, allowing your customers to easily order currency online and pay electronically from your exclusive website.

Your website will include the latest search engine best practices to ensure it is easily found online. No need to pay extra for hosting or maintenance fees – we've got it all covered and we will make sure your online shopfront is available to capture today's increasingly digital savvy customers.

You already have a website, but can't take bookings or payments?

We work with your developers to easily integrate our booking and ePayment capabilities into your website in short order. Put us in touch with your website developers and we can confirm with them how quick and cheap it will be to add.

Low cost QR code INSTANT ePayment facility

Do you get lots of requests from your walk-in customers for non-cash payment methods? Unable to find a cost-effective ePayment facility tailored to your business and compliance needs? Our low cost QR code ePayment facility is your solution for settlement and access to the cash the same working day!

All you need to do is set up a business bank account with our banking partner, RHB Bank, and we'll handle the rest for you. Don't have an RHB Bank account? No worries, our banking partner will help you set up a corporate bank account quickly!

Foreign Currency Notes (FCN) Trading Platform

Do you rely on a few known wholesalers or banks, or are part of MSB trading chat groups, using fax or phone calls to source your foreign currencies? We have a better solution for you.

Our "FCN Marketplace" opens up new opportunities by connecting you to a large pool of licensed money changers and business customers who are in frequent need of foreign currency notes in bulk. Using our anonymous solution, you can meet unexpected surges in demand or sell surplus currencies to optimise your inventory.

Here are some of the reasons why our customers recommend us to other money changers

Innovative Service

CurrenSeek offers a unique set of services that are constantly being enhanced to meet evolving needs and ensure our money changer clients offer great online services.

Regulatory Compliance Friendly

The system has been designed and is developed to assist money changers with their compliance needs with the latest regulatory requirements in this ever-evolving industry.

Strong Security

Strong encryption and automated data back-ups ensure all data is safe and secure.

Up-to-Date and Reliable

Our services have been designed through direct feedback from our active community of licensed money changers & developed to be available to customers 24 hours a day, 365 days a year.

Cost Effective

We offer tiered pricing plans to accommodate a wide spectrum of clients from single branch businesses to those with multiple branches in different locations in Malaysia.

Customer Support

Friendly and knowledgeable customer support is included in the service fee.
